# A Letter from Overeem & Omega Dev Group

The  
S I N G U L A R  
**OVEREEM**  
Single Malt Whisky

We are honoured to partner with the 2nd Commando Regiment for the release of the Overeem Commando Single Malt Whisky, and to celebrate the momentous occasion of the Regiment's 10th Anniversary.

The casks of Overeem Single Malt Whisky nominated for this project were handselected by Casey, Blair and a panel of International Whiskey Judges down at the Overeem Distillery.

After sampling a variety of casks for this project, Casey chose 4 x 100 litre French Oak, Ex-Port casks that particularly stood out.

Each cask displayed complex layers of salted caramel, butterscotch, chocolate and toffee – all characteristics we look for in a great Port Cask Overeem Single Malt Whisky from Tasmania.

Each cask has been bottled as a 'Single Cask' release, where every bottle displays the 'Cask' and 'Bottle Number'.

The whisky has been bottled at 47% ABV. This is a first for the Overeem Distillery – a truly unique offering!

We hope you enjoy these whiskies as much as we do.

In Good Spirits!

The Team at Overeem Distillery

## Tasting Notes

This golden whisky has a sweet floral nose that is soft and delicate with inviting malty notes over subtle fruits and toffee. Beautifully balanced palate. Sweet and creamy upfront, building across the palate with vanilla and marzipan bouncing around each other, before settling long and lusciously with the perfect sense of alcohol.

A long finish reminiscent of a chewy milk bottle lolly. A well crafted whisky released at a perfect pitch of alcohol, nose and palate.
